

Sustainability goals

Using the sustainability priorities we identified for ourselves as a basis, we have defined our 2025 sustainability goals in relation to our baseline in 2019 and aligned them with the United Nations Sustainable Development Goals (UN SDGs). We commit to the SDGs, and our 2025 sustainability goals will drive forward these commitments, ensuring we seek to improve and contribute to sustainable development on a continual basis.

Managing our environmental impact

Adding long-term customer value

Carbon efficiency

We want to reduce our energy consumption and carbon footprint

Reduce our carbon footprint

-15% CO₂ emissions relative to total output

Reduce forklift fuel consumption

50% of gasoline forklifts replaced with electrically driven forklifts

We want to reach

65% total electricity from renewable sources

Resource efficiency

We will reduce waste and use resources efficiently

Reduce consumption of non-biodegradable chemicals

-75% purchase volume relative to total output

Contributing to reducing packaging waste, water use and water pollution

Customer focus

We want to strengthen customer relationships and provide services that meet our customers' needs

Maintain contract renewal rate

>90% contract renewal rate of customer base

Support customers in becoming more sustainable

through **environmentally friendly services**

Acting responsibly towards our employees and society

Health & safety

We want to establish safe and healthy workplaces for our employees and customers

We want to reach

<1.5 recordable accident cases per million hours worked

<1.5 lost time injuries per million hours worked

Zero fatalities is our long-term goal

Improve reporting of near misses

≥1 report per employee per year

Reduce risk from high hazard operational procedures

≥3 health & safety control measures implemented for each of our top 5 health & safety hazards per operating unit

Employee development & diversity

We will provide development opportunities for employees and treat all employees fairly

Improve gender diversity

30% women in corporate leadership positions

Provide

Training & development to provide opportunities and ensure the continued development of our employees
